

New Haven Annex Club

Strengthening Annex Club's membership and presence in the New Haven Community.

Contributors: Brandon Nguyen, Eric Fan, Ryan Qin, Kristina Morales, Hobart Chen, Emily Nguyen

Executive Summary

The Annex Club faces **stagnating membership** and **rising costs** in a **new age** of trends, marketing, and lifestyle.

Simultaneously, membership remains the most controllable and strategic revenue driver.

The UP Fund has identified these components as the most crucial areas of membership to **restructure** to position Annex for **prolonged success**.

- Marketing and promotion
- Event programming
- Community outreach

Through UP Fund's **recommendations**, Annex will **reposition** themselves to a **stronger** brand **image**, welcome new, **younger audiences**, and generate **higher** levels of **revenue**.

Performance Analysis:

Revenue Charts Reveals Key Performance Factors with limited revenue diversity.

As of now, Annex revenues are split as shown:

Rental Agent: 36%
Member Dues: 17%
Bar and Lounge: 17%
Bingo: 16%
Lounge Rentals: 7%
New Member Entry Fees: 4%

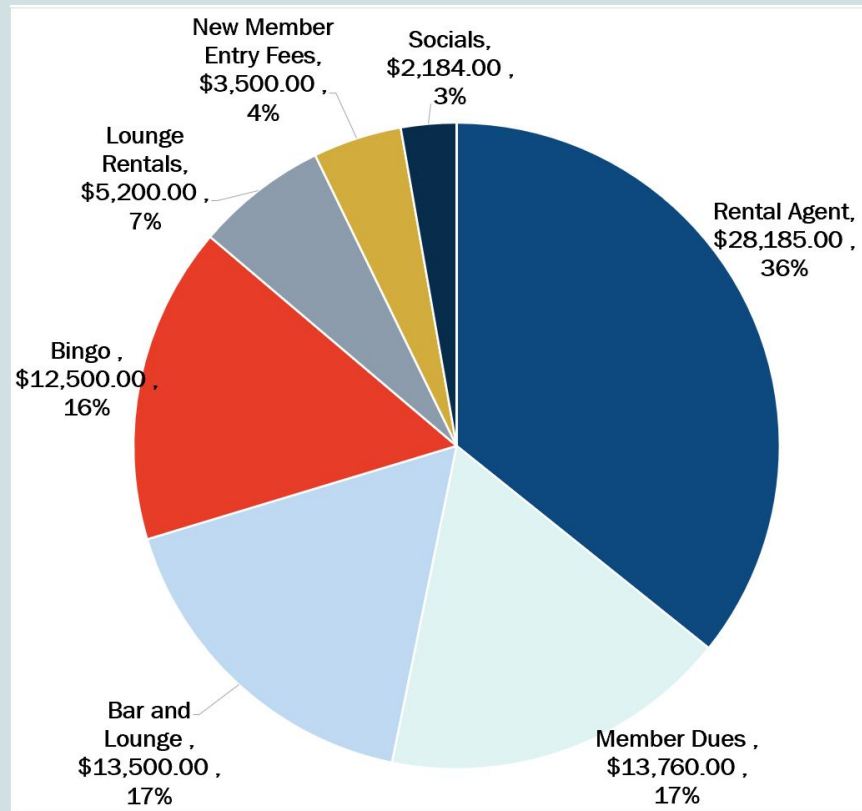

Variable costs are **Unstable Factors**:

Rentals are a large part of revenue:
43%: Rental Agent + Lounge Rentals

Rental Agents **Dominate** revenue streams:
>30% Signals Uncertainty

Key Performance Factors are embedded into
MEMBER DUES AND BAR SALES

Aim for **30-50%** Membership Revenue Makeup

Agent Network Expansion

- Increase efforts to secure more rental agent offerings
 - capitalize on current rental agent activity success
 - aim for **one more potential partnerships** in 2026
 - increase Annex rental streams

Marketing & Promotion

- Revamp mission statement and brand palette
- Optimize e-presence
- Key revenue factor: Increasing # of membership

Events & Outreach

- Establish an Instagram page
- Host open-stage community nights
- Implement guest-pass program to drive interest

Recommendation #1: Agent Network Expansion

Increase efforts to secure more rental agent offerings

Annex should further capitalize on current rental agent activity **success** through more outreach.

Outreach should highlight Annex's advantages as a host site:

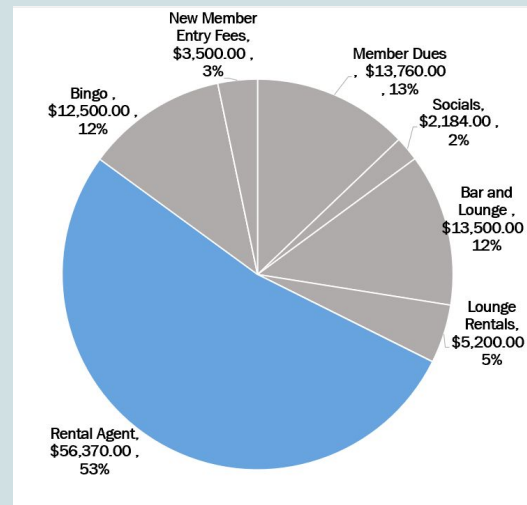

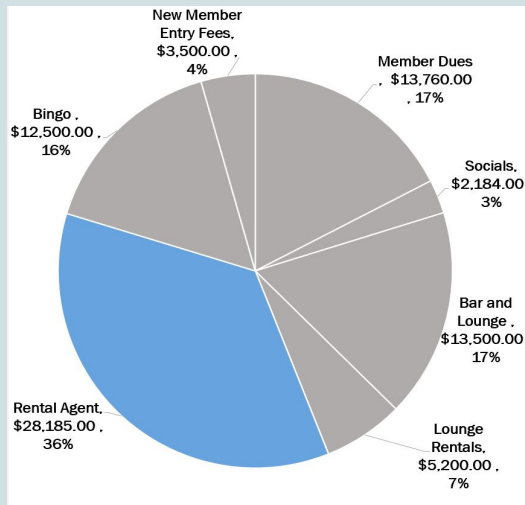

- Affordability
- Location
- Established community presence

A current 43% share of rental driven revenue signifies potential opportunities for **growth**.

- 2025 Year Revenue from Rental Agent: \$56,370
- Monthly Potential: +\$4,697.5

Annex should aim for one more potential partnerships in fiscal year 2026:

- Current Revenue Stream: \$56,370
- Potential Revenue Stream: 112,720

Increasing Annex Rental Streams:

- The charts depicts a transition from a singular rental agent to double.
- Note that the other concurrent revenue streams should be increased proportionally, ensuring that rental agents compose **no more than 30%** of total revenue.

Recommendation #2: Marketing & Promotion I

Revamp mission statement and brand palette to modernize and refresh club image

Original statement: ANNEX YMA is an Italian American Civic Organization founded by 28 neighborhood guys in 1938.

New Statement: **Annex Club, founded in 1938, is a New Haven social club committed to cultivating meaningful community and advancing service.**

Recommendation #3: Marketing & Promotion II

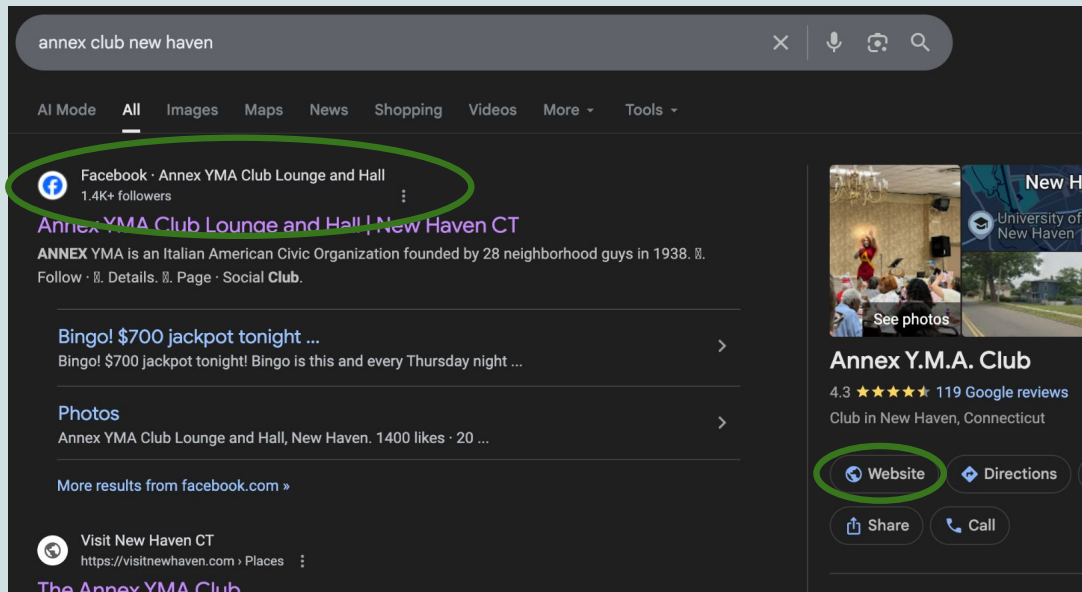

Optimize e-presence through Facebook, better informing prospective members

Annex should modify their **Facebook** page to increase customer **conversion rate** online.

Why Facebook?

The FB page serves to be the **primary** source of information for **potential customers**, being

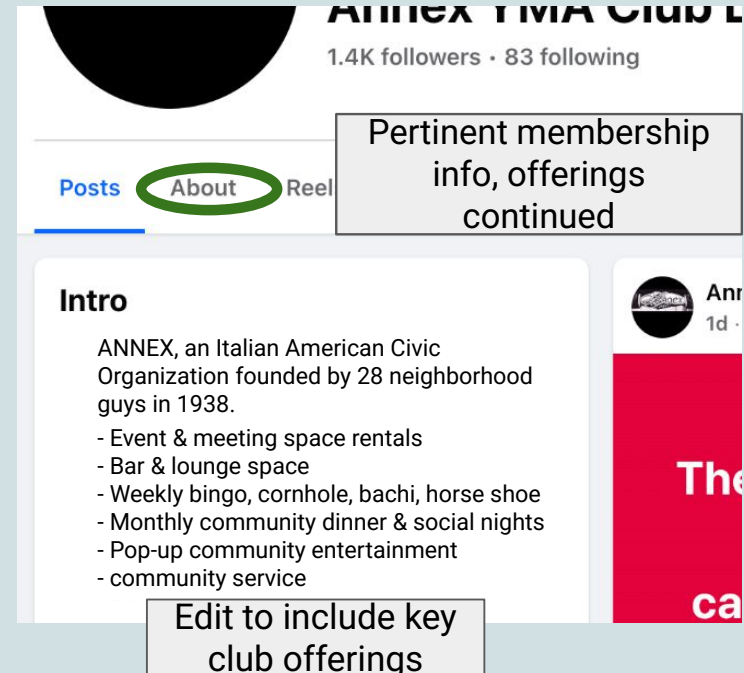

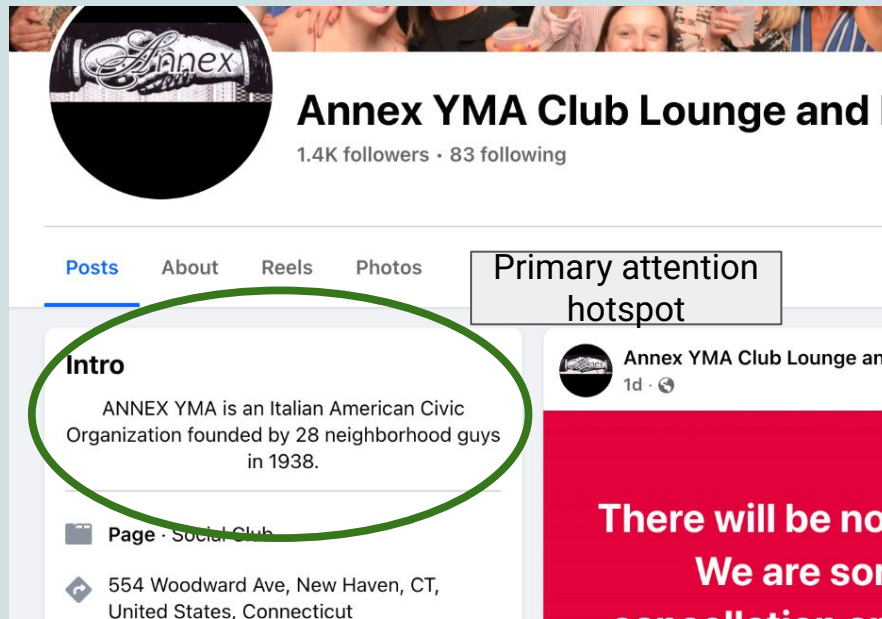

- first site on Google search
- linked website on company info card (the two most **high-traffic** links)

Recommendation #3: Marketing & Promotion II

Optimize e-presence through Facebook, better informing prospective members

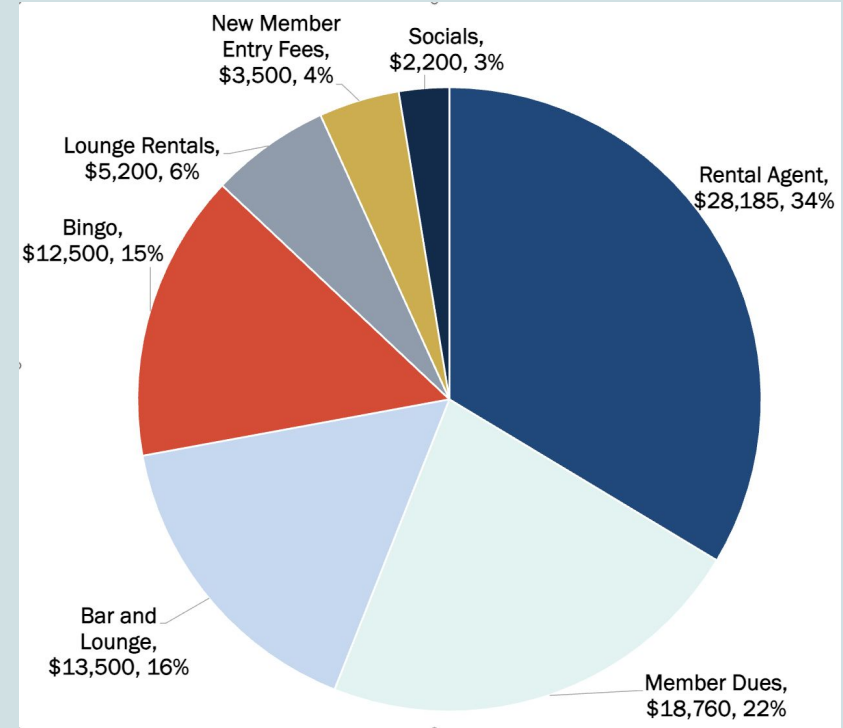

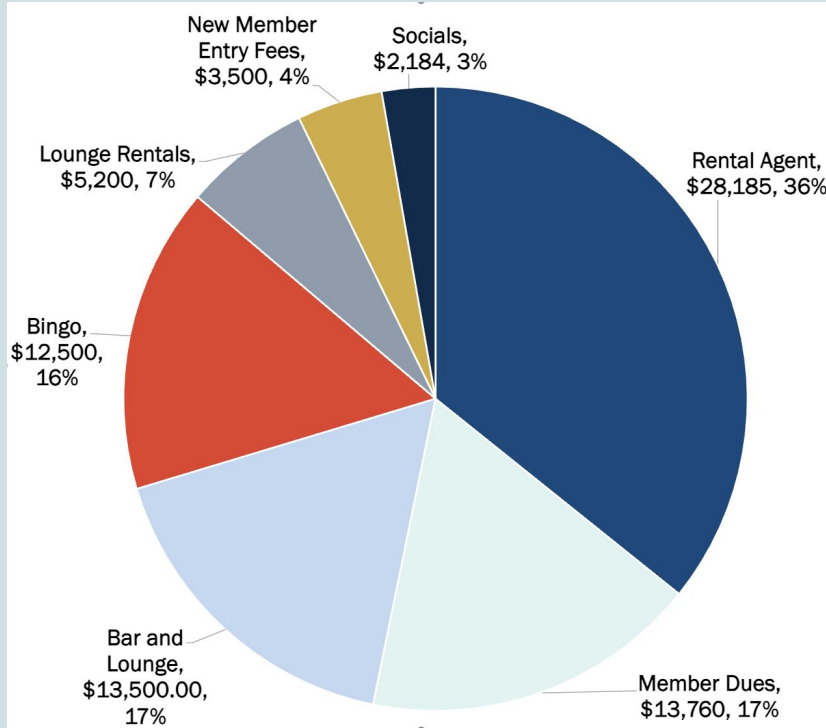

Annex should **bolster high-visibility** areas on their Facebook page to include key club information, including membership and activities/offering.

Recommendation #3: Marketing & Promotion III

Increasing membership by a fractional amount can promote financial growth

Potential Change of +50 Members:

Recommendation #4: Events & Outreach I

Establish an Instagram page, furthering outreach, especially to the youth

Annex Club should promote club activities on **Instagram**.

Posts created on Facebook can easily be imported into Instagram by *linking* both social media accounts, making posting more effective across various platforms without too much additional effort made to maintain both accounts.

E.g. Strategic Monthly Media Plan

Monthly:

- Upload calendar bulletin with activities the club has planned for the entire month as a main post, routinely *pin* the most recent iteration on the account.

Weekly:

- Upload the weekly activities bulletin, ideally at the beginning of the week through posts and stories as reminders for members.

Recommendation #5: Events & Outreach II

Host open-stage community nights, targeting the youth audience

Annex Club already promotes open show groups that perform at the club. By continuing such activities on a routine basis, the club can usher a steady number of recurring members for show and performed-based nights.

Examples including singers, bands, comedians, and other performance actors.

Recommendation #6: Events & Outreach III

Implement guest-pass program to drive interest; bring a guest for an extra bingo card

1. Each member receives **3 guest passes/year**

Passes allow friends/family to attend select events; QR-coded passes emailed for easy sharing

→ Drives new member interest

2. Each member who brings a guest to bingo can receive a free complimentary bingo card

→ Incentivizes members to bring guests
